## RESOLUTIONS ON FIRST READING

### House Concurrent Resolution 111

Representative Liggett introduced House Concurrent Resolution 111:

A CONCURRENT RESOLUTION urging the establishment of an interim study committee on the establishment of local public improvement areas.

*Whereas, Originally it was the responsibility of local governments to provide the infrastructure necessary for housing development, such as water, sewer, roadways, sidewalks, recreation areas, school buildings, and other capital projects;*

*Whereas, Local governments no longer have the capacity to finance the necessary infrastructure improvements for housing development;*

*Whereas, Under current conditions, housing developers build the infrastructure and pass the costs along to the purchaser;*

*Whereas, The development of the infrastructure is added to the purchase price of housing and is financed at regular mortgage rates;*

*Whereas, The establishment of local public improvement areas provides a mechanism for local governments to finance the development of infrastructure at municipal financing rates;*

*Whereas, The establishment of local public improvement areas allows local governments to pay for the infrastructure with assessments related to the benefits provided by the infrastructure; and*

*Whereas, The establishment of local public improvement areas encourages ownership by reducing the cost of home ownership through reduced infrastructure financing rates: Therefore,*

*Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:*

SECTION 1. That the legislative council is urged to establish a committee to study the establishment of local public improvement areas.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council and that the committee shall issue a final report when directed to do so by the council.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution. Senate sponsor: Senator Merritt.

*Whereas, Gert's first job at the Statehouse was as an employee of the Senate;*

*Whereas, In 1976, she began working for the Legislative Services Agency, the beginning of a long and happy association that ended in 1988 when she went to work in the office of Governor-elect Evan Bayh;*

*Whereas, To Gert, the people she worked with were like members of her family; she looked upon them as her children and was always there with a helping hand or a gentle word of advice;*

*Whereas, Gert McConahay's life had always been filled with friendship and love;*

*Whereas, Gert was a caring, compassionate person who was always ready to help a friend;*

*Whereas, To Gert, family extended beyond her relatives;*

*Whereas, When Gert cared about someone or something, she was totally dedicated;*

*Whereas, Gert cared about the less fortunate in her community, often volunteering her time to projects designed to improve their lives;*

*Whereas, Gert was an active member of St. Bernadette Catholic Church, working there one day a week after her retirement;*

*Whereas, Gertrude McConahay was extremely proud of her Irish ancestry;*

*Whereas, On March 17, Gert and her friends could always be found at the Knights of Columbus listening to Irish ballads and eating corned beef and cabbage; as the years wore on, she gave up the green beer, however; and*

*Whereas, Like the old Irish saying goes: "If we have a flower for every time we will think of you, we will walk through the garden forever": Therefore,*

*Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:*
